

KEVIN O'BRIEN HART *graphic designer*

QUALIFICATIONS

Graphic designer possesses strong personal attributes of hard work, patience, integrity, a passion for the graphic design field and a drive to further develop his craft. Recognizes that, rather than a hindrance to creativity, constraints are an opportunity for growth and innovation. Stays knowledgeable of current hardware and software so he can do his work quickly and efficiently and meet, or exceed, deadlines. Has professional experience in print publication and design, and is educated in many types of print and multimedia design. Can work independently as well as in a group.
